

# antigravitygear *Scouting Discount Program*

AntiGravityGear is a proud supporter of the Scouting program. As part of our continued support, we offer the AntiGravityGear Scouting Discount Program to current and active Scouts, Scouters, and Troops. It's FREE and easy to join! Here's how it works:

~ **Individual scouts, leaders, and scouting parents:** Fill out and return the Scouting Discount Program Application to receive a 10% off coupon good on all AGG purchases for one year from registration. Members will also receive a free subscription to our e-newsletter where they will receive other money saving coupons and discounts, as well as exciting product information and advance notice of special events.

~ **Bulk troop orders:** For troops needing to order in larger quantities, we are proud to offer up to a 25% discount on orders over \$200. (Discount amount will vary depending on the products ordered.) To receive this discount, troop leaders must apply in writing using troop letterhead, and must include a council patch with application letter. Discounts are applied to items normal list price. Due to stocking levels bulk troop orders may take longer to ship.

For more information on the AGG scouting discount program please contact our customer service department.

Yours in Scouting,

George "Tin Man" Andrews
